## Conditions of Warranty

- In order to extend the warranty period beyond the initial two-year period the engine must be registered with a Lister Petter dealer within 28 days of receipt. A list of dealers is available at [www.lister-petter.co.uk](http://www.lister-petter.co.uk)
- Servicing to be carried out in accordance with "Routine Maintenance - Schedule Hours", shown earlier, by approved dealers or competent engineers.
- Only genuine Lister Petter service parts to be used.
- Oils and other fluids, to specifications / grades as given in the Operators Handbook or Workshop Manual are used.
- The maintenance record should be completed, dealer stamped and receipts for service parts retained.  
The dealer is authorised to stamp the maintenance record following the sale of genuine parts, to a competent engineer, intended to be used on the warrantable Lister Petter engine.
- Evidence will be required of engine hours run and should be entered in the maintenance record.  
Evidence of equipment used to record engine hours may be requested in the event of a warranty claim.  
If no hour recorder is fitted, 12 hours per calendar day will be used for the hours run calculation.
- The installation should be in accordance with data supplied by the Lister Petter Applications Department.
- Long term light load and cold engine running will invalidate the warranty.
